**SUBMISSION OF OMITTED COPY OF PENDING PATENT APPLICATION**

Sir:

On March 21, 2002, Applicants filed an Information Disclosure Statement listing Application No. 09/811,375 as a U.S. Patent Document to be considered in regard to the above-referenced patent application. However, Applicants inadvertently did not submit a copy of Application No. 09/811,375 along with the Information Disclosure Statement. Accordingly, Applicants have enclosed a copy of Application No. 09/811,375 for consideration by the Examiner in conjunction with the above-referenced application.

Applicants respectfully request that the Examiner consider the enclosed document and officially make it of record in accordance with the provisions of 37 C.F.R. § 1.97 and Section 609 of the MPEP by appropriately initialing the previously-submitted 1449 form.

Applicants note that, by submitting the enclosed document, Applicant in no way makes any admission as to the prior art status of the listed document, but is instead submitting the document for the sake of full disclosure.

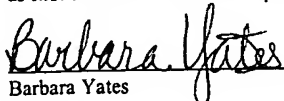

Respectfully submitted,

Scott E. Brient
